Refer to L. J. Higby, Thomas P. Williams, and Kellogg, Strong & Co., Milwaukee.

THE undersigned would respectfully solicit the attention of dealers in and consumers of Coal in Milwaukee to our Card as above. The Bolivar Coal is unquestionably superior to any other mined in Ohio, for Grate, Blacksmithing, Machinery, or Domestic purposes; and for Steam purposes, is superior to any except Briar Hill. It is peculiarly well adapted to Shipping, as its extreme hardness renders it capable of bearing any amount of handling, without waste. It can be afforded considerably cheaper than Brier Hill, and for most purposes, is better.

It is our wish to introduce the article, and we respectfully solicit orders, confident that a trial is only necessary to convince any of the truth of the above assertion.

The proprietors of the Eckford Line would particularly call the attention of the Merchants of Wisconsin, Illinois, and other Western and South-western States to the superior facilities of their line for transportation to, and from, the ports on the Upper Lakes. The above line of Steamboats runs direct to our Dock, at Buffalo, and all goods contracted by this line for the Upper Lakes will be shipped (unless otherwise ordered or contracted) by *Steamboats*, (not Propellers) with but one, or possibly two exceptions. The Eckford is the only Line not interested in, or committed to, a Propeller Upper Lake Line; and in endeavoring to sustain a line of *Steamboats* on that route, the Proprietors hope to receive the support and patronage of the Merchants of the Western States, when interest demands the continuance of a line of such a class of Boats. THE WORLD'S FAIR
PREMIUM SAFES.
DEPOT,
Green Block, Water St.,
(Between Maiden Lane and Wall Street,)
NEW YORK.

THE SUBSCRIBER PLACED HIS FIRE AND BURglar-Proof Iron Safe in competition with the whole world at the great Exhibition in London, for which an impartial jury awarded a medal.

The American Fair, held last fall at Castle Garden, also awarded to him a gold medal for the best Fire-Proof Safe, and he has never failed to obtain the highest premium when his Safe has been put in competition with others for that purpose. Certificates have been received from the following well-known mercantile houses, who have had their books, papers and money preserved in these superior Safes within the last thirty days, (and can, with many others, be seen at my store,) viz. Messrs. Stillwell & Montross, and Mr. J. L. Watkins, in the Fulton Street fire; Messrs. Fisher & Robinson, and Messrs. John Lockwood & Co., in the great fire corner of Liberty and Nassau Streets, and Messrs. Proud & Bowman, in Jersey City.

I am the proprietor of HALL'S PATENT LOCK, which obtained a medal (in the name of Adams & Co., Boston,) at the World's Exhibition, and is considered the best Lock for the price, ever invented, being proof against powder, and the Key is no larger than a cent, and can be made changeable.

I invite all purchasers to a close and careful investigation before purchasing, and decide for themselves, who makes the best Fire, Burglar and Damp-Proof Safes combined.

MR. GILBERT'S LETTER.

THE FIRE IN FLETCHER AND PEARL-STS., NEW YORK.

New York, Dec. 20, 1851.

MESSRS. STEARNS and MARVIN, successors, to C. Rich & Co., No. 146, Water Street, New York—Sirs, when the fire was consuming my place of Business, No. 216, Pearl Street, I was absent in Rensalaer County, testing a new cleaning apparatus in connection with my Excelsior Thrasher, and did not read the account until I was fearful it was too late to save my books which were placed in one of your safes, purchased from Mr. Marvin some years ago. My fears were not allayed when I found it necessary upon my return to apply the Croton Water 40 hours before I was enabled to commence operations; after which it required 54 hours of labor and application to raise the Salamander from its ashy bed. You may judge of my anxiety during this delay, and my agreeable surprise upon opening the safe in the presence of a number of gentlemen, to find my books and papers saved, and as legible as they were previous to the fire. The intense heat to which the Safe was subjected, can be conjectured from the condition of another safe, (not a Salamander) of which an iron skeleton frame only remained, and not a vestige of a book. They were companions in the same office, on the second floor, from which they fell upon crates of earthen ware in the cellar, the ruined safe upon the Salamander. If their position had been reversed, not even the skeleton would have remained. My loss over the insurance is $1,000, yet the salvation of my books in your Salamander, with the representatives of $100,000, and important documents which could not be duplicated, has fully compensated me.

It will afford me great pleasure to exhibit the new safe purchased of you, and explain its merits at my present office, No. 251 Pearl street, where I shall remain until the new building, No. 216, is erected.

Yours respectfully, JOSEPH G. GILBERT.

The undersigned invite country merchants and those interested in the preservation of their books from fire, (but particularly those having Rich's safe in use) to call at the depot 146 Water street, New York, to see the interior of Mr. Gilbert's safe with the books undisturbed, which he has kindly permitted to remain for the satisfaction and gratification of the public.

The cost of insurance does not exceed one-third as much as in Stock Companies, saying nothing of the increased security and the incomparable ease with which losses are settled. THE SUNDAY QUESTION.

We inserted a communication, in our paper yesterday, signed "the Fifteen Germans," in which the authors of a previous attack on the Rev. Dr. Ives, for vindicating the sanctity of the Sabbath against its desecrators, decline further discussion with that gentleman in consequence of the character and tone in which he has carried on the controversy. We understand the meaning of this to be that having been fairly beaten on every point of argument and fact, they wish to forego further conflict and while abandoning the field to avoid the acknowledgment of defeat. The desire is a natural one, but the question is one of far too serious import to permit its indulgence. It is not true that either of the two articles published by Dr. Ives indulged in personal abuse, unless these gentlemen interpret as abuse the assertion that they are "most respectable apostates to infidelity from the religion of Jesus Christ in which most, if not all of them were baptized." We must bear witness, on the contrary, to the patience with which the Reverend gentleman passed over unnoticed the personalities and vituperations which garnished and constituted the only strength of their own communication. His remarks were confined exclusively to the question at issue: whether a small number of turbulent citizens shall be allowed to break the laws and insult the community; and their severity consisted in their *truth*. We thank Mr. Ives, as every good citizen must do, for telling plain truths which no one had dared to tell before, and thus arousing a feeling on the subject well-nigh universal in the community. And we shall be much mistaken if the matter is allowed to rest until effectual action has been taken by the Common Council to secure us from future violations of the law.

German apologists for Sabbath-breaking can never succeed here and they begin to know it. The *Banner* of Monday evening twists together a cord of infidelity and law, which we have not before met with in company in the German papers, and we recognize with pleasure the admixture of the better element. The wisest course for "the fifteen Germans" to pursue was to impose upon themselves, as to this issue, a vow of perpetual silence, and we congratulate the public upon the unanimity with which it may now look forward to an Ordinance closing illegal places of amusement for the future.

IMPORTANT VOTE.—In the U. S. Senate, a few days since, Mr. Summer moved to take up the resolution offered by him directing inquiry as to the expediency of reporting a bill for the repeal of the fugitive slave law.

He spoke for sometime in favor of the motion, asking the courtesy of the Senate, to allow him to speak upon the question indicated. Mr. Mason objected, on the ground of want of time to discuss the question. Messrs. Brooke, Charlton, and Gwin objected on the ground that they considered such a discussion equivalent to discussing the dissolution of the Union. Mr. Shields wasn't afraid of any speech on the subject, and would vote to take it up. Mr. Douglas said he came to the Senate to hear something else, and would vote against.

The question was taken on Mr. Sumner's motion, and resulted as follows:

YEAS—Messrs. Clark, Davis, Dodge, [Wisconsin,] Foote, Hamlin, Seward, Shields, Sumner, Upham, Wade—10.

NAYS—Borland, Brodhead, Brooke, Cass, Charlton, Clemens, Desaussure, Dodge, [Iowa,] Douglass, Downs, Fitch, Fish, Geyer, Gwinn, Hunter, King, Mallory, Mangum, Mason, Merriweather, Miller, Martin, Norris, Pearce, Pratt, Rusk, Sebastian, Smith, Soule, Spruance, Toucey, Weller—32.

We are pleased to see that at least one Senator from Wisconsin—has preserved his consistency throughout, in the many test votes which have been taken. Differing from Senator Dodge in almost everything political, we are glad to be able to bear this testimony to the consistency of his course from the beginning.

THE GERMAN SCOTT VOLUNTEERS.—This association has held two meetings within the last week, on the 31st ult., and 2nd instant, Mr. A. ROESLER, in the Chair, and Mr. STEPHEN S. HAMMITZER, Secretary. Accessions continue to be made to their numbers, and at their last meeting they adopted a Constitution similar to that of the General City Club, passed the resolutions which we publish this morning, and made choice of their permanent Officers. Matters are going on very well and our contemporaries of the Madison *Democrat* and Watertown *Register* are affectionately invited, the first time they come to town, to call in and see the "one German" they say we have "bagged" for Scott. He is a big fellow for a single one. At the last meeting of the German Club, a German from Green Bay gave very encouraging accounts of the state of feeling among his countrymen in that section of the State. A communication was also received from a German of Kenosha, which we may publish by and bye, repudiating the fetters of Loco Focoism and promising good returns from that quarter in the coming contest. "The work goes bravely on."

NATURALIZATION LAWS.—The Morning *News* opens the heavy artillery of its sarcasm upon Gen. SCOTT'S proposition to admit those persons of foreign birth, who have served faithfully in the Army or Navy, to the rights of citizenship, upon easier terms than our laws now allow. No doubt if the *News* had made known its objections to the measure in due season, Gen. SCOTT would have withheld this recommendation. It being too late, however, to effect anything in that quarter, the *News* should try its hand with Congress and seek to induce them to refuse the boon which Gen. SCOTT'S letter holds out. This would furnish another illustration of its very ardent and sincere advocacy of the interests of our Adopted Citizens.

DROWNED.—The Oshkosh *Democrat* of last week announces the death by drowning, of Mr. WILLIAM M. FRENIRE, of Ceresco, and formerly of Broome Co., N. Y. He leaves a wife and a numerous circle of relatives and friends to mourn his loss.

POST OFFICE CHANGE.—The Crawford County *Courier* announces the appointment of Mr. B. W. BRISBOIS as P. M. at Prairie du Chien, in place of Mr. J. S. LOCKWOOD.

NEW POST OFFICES.—The Post Master General has established new Post-offices at WAKEFIELD, Outagamie county, Q. Q. WAKEFIELD, P. M., and at MILLVILLE, Grant county, C. C. DRAKE, P. M.

Another Forgery Detected.

We observed some time since an extract from an article published in the Cincinnati *Enquirer* going the rounds of the more unscrupulous Loco Foco Press at the eastward, but made no remark upon it, inasmuch as we hoped that we should not see it in circulation in this region. But we find it copied into the Madison *Democrat*, and arrayed in staring capitals. It is an endeavor to find an offset in a Whig State for the illiberal religious test in New-Hampshire, the hot bed of Democracy, where Mr. Pierce is claimed to be so powerful. Here follows the *Enquirer's* article:

> What will these same Whigs do with their favorite candidate for Vice President, Graham, of North Carolina, when they learn that a similar provision exists in the Constitution of that State? Will they say that Mr. Graham should not be supported by the Catholic voters? Will they say that he should be held responsible for the clause being retained in the Constitution of the old Whig State of North Carolina? The 32d Article of the Constitution of North Carolina provides as follows:—
>
> "No person who shall deny the being of God, or THE TRUTH OF THE PROTESTANT RELIGION, or the Divine authority of either the Old or New Testament, or who shall hold religious principles incompatible with the freedom and safety of the State, shall be capable of holding any office or place of trust or profit, in the civil department within this State."

There is a very short answer to the above. Whether the deliberate invention of the *Enquirer* or not, it is a shameless forgery; and it is accomplished by taking the clause of the Constitution of North Carolina, and inserting among the words placed in capitals, the word "*Protestant*," instead of "*Christian*," which last is the word really used! How much better is this than forging a note of hand, or a bank bill? and how much better are the inventors and circulators of the political, than the inventors and circulators of the financial forgery?

Harbor Improvements.

Hon. Joshua R. Giddings, of Ohio, in a recent letter on political matters, utters the following solemn truth. "But we have had a Whig Administration four years, yet no Harbor Improvements!"—*Waukesha Democrat.*

If Mr. Joshua R. Giddings has made use of any such language as the above, it is only another evidence that he is fallen very low since he left the Whig party. There *was* a time when he would have been ashamed of such misrepresentation.

But grant that Mr. Giddings has said so. Does that excuse any press from endorsing it as a "solemn truth," when the intention is to deceive? We *have* had a Whig Administration, which has again and again urged upon Congress the duty of of doing justice to the West—but that body has been strongly Loco Foco, and has utterly refused.

THE CANVASS ACROSS THE WATER.—The London *Times* is putting in its very best efforts for Gen. Pierce. Its latest argument is said to be that, "Gen. Scott's conduct in the war of 1812, should deprive him of the aid of every true friend of British interests."

The London *Leader* comes to the rescue of the democratic candidate in an article from which we take the following:

> "We are without information as to the views of General Pierce on the subject of co-operation with England; but we cannot say that we feel any apprehensions on the point, and we shall await the final election not without a share in the confidence of many American friends, that it will result well."

Cool, isn't it? The *Leader* needn't "feel any apprehensions" as to Gen. Pierce's desire to co-operate against American and in favor of English industrial interests, but its "many American friends" are doomed to a sad disappointment.—Gen. Scott don't "co-operate with England," and the people are on *his* side in this canvass.

THE THEATRES IN HAMBURG.—Mr. LEWIS HEYER sends us an affidavit, made by himself, to the effect that he is a native of Hamburg; that he was a citizen thereof from 1830 to 1847; that the Christian Sabbath in said city begins at 12 o'clock Saturday night and ends at 12 o'clock Sunday night; that up to Nov. 27, 1847 there was no law in said city, requiring the Theatres to be closed either on Saturday, or Sunday evenings; that up to said time the Theatres in Hamburg were closed by law only on one day in the year (a day set apart for repentance and prayer,)—that he, Mr. HEYER, was present at many representations in the Hamburg Theatres, on Saturday as well as Sunday evenings; and that he never heard or read of any different rules or regulations, in regard to the duration of the Sabbath, or the closing of the Theatres, in the City of Hamburg, than those above stated.

Even supposing the facts to be precisely as Mr. HEYER swears, we don't think the example of Hamburg by any manner of means worthy of being followed in Milwaukee.

INDEPENDENT CANDIDATE FOR JUDGE.—Mortimer M. Jackson, the present Judge of the fifth Judicial Circuit of this State, has announced himself, in the Mineral Point *Tribune*, in a very neat card, as an Independent Candidate for re-election. This is the true way. The independent is by all means the best. Conventions scarcely ever represent the wishes of the people; they are usually but the gambling ground of office-seekers.—*Oshkosh Democrat.*

The *Democrat* speaks the prevailing sentiment of our People. Party nominations for Judicial Offices find no favor in their eyes, and carry no weight beyond what is due to the merits and qualifications of the Candidates themselves. This is as it should be.

In regard to the election in the Western District, the opinion is very general and decided that Judge JACKSON, who comes forward as an Independent Candidate, will be elected, by a large majority, over the "regular" party nominee, Mr. COTHREN.

ANOTHER VOTE—OLD CHIPPEWA STILL AHEAD!—On the last trip of the fine packet Cornelia, from St. Louis to Louisville, the vote was taken for President, on the 16th inst., with the following result:

For Gen. Scott—62 in the cabin and 16 on deck; total—78. For Gen Pierce—9 in the cabin and 6 on deck; total—15.

Majority for Scott—63.—*Louisville Journal.*

Something very much like the above—only more so—occurred on a late trip of the *Golden Gate* from the north. A "raving distracted" Pierce man came aboard at one of the northern ports, and got perfectly uproarious in his determination to have a vote taken. Finally, to quiet him, Capt. Whitaker had the vote taken, when the astonished Loco found himself the only Snag-and-Sandbar man on board of the boat! He was a model of meekness during the rest of the passage.

JUDICIAL CONVENTION.—The Democratic State Convention to select candidates for the Supreme Court, meets at Madison to-day. We hope to give the result of their deliberations in our next. The *Wisconsin*, in speculating upon the probabilities, says:—

> It is impossible to offer any estimate as to who will be nominated, but we should not be surprised if nearly all the prominent candidates were passed over, and *new men* taken up.

The wish, we take it, is father to that thought.

The Franking Privilege.

Washington, July 27.

The Postmaster General has directed that documents and speeches may be franked separately, and when tied in bundles, that the direction on the outer document alone shall be required.

The above does not originate with P. M. General Hall, but is an old decision of Cave Johnson's.

KATE HAYES.—The New York *Express* is responsible for the assertion that "The Swan of Ireland"—sweet Katie Hayes is married to her gentlemanly agent and financier, Mr. Bushnell.—*Morning News.*

The *Express* of Friday last, referring to this piece of gossip, says:—

——Miss Hayes has *not* married her agent. Mr. Bushnell, who is a married man.

MR. DURKEE.—The *Free Democrat*, referring to our yesterday's paragraph as to Mr. DURKEE'S intention to run again for Congress, says:

> We know nothing of Mr. Durkee's intentions in this respect. We only know what are the feelings of the people of the District, and we take it that if it is their decided wish that he should serve them again, whatever his personal inclinations may be, he will not decline.

The Meeting at Doty's Island.

A correspondent sends us the following account of the late gathering at Doty's Island:—

Correspondence of the Sentinel,

THE CAMPAIGN OPENS FOR SCOTT AND GRAHAM GLORIOUSLY IN NORTHERN WISCONSIN!

The largest assemblage that was ever gathered in this section of country, on any occasion, met at the Island at the foot of Lake Winnebago, opposite Neenah, on the 26th inst., to celebrate the battle of Lundy's Lane and ratify the nomination of SCOTT and GRAHAM. Although there was only 6 days notice of the meeting, and in the midst of harvest, they came out by hundreds, with music and waving banners—one 4 horse team from Appleton with some 50 carrying a large flag, and several carriage loads of ladies—and all to do honor to the hero of Lundy's Lane, and that illustrious Benefactor of his Country. The Hon. J. McM. SHAFTER, of Sheboygan, addressed the assemblage in his usual persuasive, convincing, and argumentative manner, and was often responded to by loud and deafening cheers. It was a rich and enthusiastic time, and is a certain prelude to the coming victory that the people of Northern Wisconsin will achieve for Winfield Scott and Graham on the Ides of November next.

A SPECTATOR.

A correspondent of the Madison *Palladium* writes under date of "Menasha, July 27th," to the following effect:—

> When the hour arrived, the Appleton and Menasha bands of music appeared with some six or eight carriages accompanying, and while the instruments discoursed "Hail Columbia," with jocund life, the live Whigs dropped in from "bush and grove," and before arriving at the "council ground," the procession, mostly of footmen, (the ladies rode in carriages,) extended nearly half a mile. A rough "platform" of good substantial plank had been "hastily" constructed under the shade of a wide-spreading oak, and Mr. Shafter, having been introduced to an assembly of five hundred freemen who surrounded him, by that whole-souled Whig, Jno. R. Kimberly, Esq., the President of the Day, for two hours kept the grove vocal with his animated and powerful exposition of Locofocoism, interrupted only by the hearty responses and cheers of the multitude.
>
> He talked of the Tariff and Free Trade, of River and Harbor Improvements, and the Restrictive Policy, of National Independence and Freemen, and of subserviency to the dictates of a Foreign Aristocracy or of Serfdom. In short, he talked with his whole soul of Whig measures and policy, and of Locofocoism; and when he closed, the crowd rent the air with animated cheers "loud and long continued," the band closed in with the air, "For Scott and Victory," and a "*feu de joi*" greeted him to his seat.
>
> After Mr. Shafter had concluded, S. Ryan, Jr., of the Green Bay *Spectator*, addressed the meeting, which then adjourned with the determination to go into the canvass and do constant and effective service.
>
> In the evening, the Neenah Whigs organized a Scott Club, and had an address from Dr. Brainard, of Green Bay.

The Prospect in Waukesha Co.

A friend who is well posted up as to matters and things in Waukesha County, writes us a cheering letter from which we extract the following:

"We are not asleep in Waukesha. From present indications I think we shall carry the county for Scott. I could name you scores of Locos who have avowed their determination to vote for "Old Chip." Among the number is one who is a member of the Loco Committee for the Delafield Assembly District, and as goes JOHN HODGSON so goes the town of Pewaukee by a handsome majority; several influential Germans have enrolled their names as members of our club."

Good for Waukesha! The Scott men of that county are of the right sort, and work with a will. The case of Mr. Hodgson is by no means an isolated one. From every direction we hear of numbers of persons who have long worked with the democracy, but who are determined to come out now and strike a good blow for OLD CHIP and AMERICAN LABOR, and WESTERN INTERESTS. Men will stand together in this battle for the good cause who have never so stood before.

The Milwaukee and Fond du Lac Plank Road.

This road is now being located from Cedarburg to West Bend. It is the intention of the Board of Directors to push the work vigorously, and from the active interest manifested along the route, and at Fond du Lac, there is a fair prospect for its completion throughout the whole distance within the next year.

This avenue will be of great importance to Milwaukee, securing to her from the excellent manner in which that road is to be built, the trade of one of the most, if not *the* most important inland towns in the State, and a large amount of way trade and travel which has now no convenient, and scarcely a possible outlet.

Our citizens, with that liberality which characterizes them in works of this kind, should subscribe promptly to the stock of this company. The road when completed must add very largely to the business of the city, and the stock cannot be otherwise than a good investment.

The books of the Company are now open for a limited subscription.

☞ The "Democracy" are consulting about their difficulties. The following is from the Buffalo Republic, a warm supporter of Pierce and King:—

> PIERCE, PEARCE, PERCE, OR WHO?—It becomes highly necessary that a uniform spelling of the name should be adopted. This should be done, so that no votes cast for the Democratic candidate shall be repudiated, as they have been recently. In absence of other means, the writer hereof would respectfully recommend that all persons bearing this title, meet in convention, at a time and place hereafter to be designated, and adopt a universal method of spelling the name.

☞ Mr. PAPINEAU, who has just been elected to the Canadian Parliament by an extraordinary majority, has published a long address in which he declares that he is is in favor of annexing Canada to the United States.

RAIN IN ENGLAND.—The Spring was very dry, but the month of June has been one of almost continuous rain, and it has been so cold that fires and winter clothing have been required for most of the first month of Summer.

☞ The swift *Pacific* arrived here from Chicago, yesterday afternoon, at 3 o'clock. Among her passengers were Mrs. BOSTWICK and her party.

SOLD.—The propeller *City of Oswego*, recently sunk in Lake Erie, was sold at Auction, for $7,000, to Mr. Gay, of Milan, Ohio.

NAVAL DUTIES.—We published below an order from the Navy Department, which will be read with interest by all the officers connected with this service. It abolishes the distinction in favor of commandants of shore stations, who were allowed three years, while the junior officers were limited to two years, by establishing an uniform term for all grades.

General Order.—The General order of the 21st of March, 1844, is hereby so modified that all officers attached to the several Navy Yards and Stations, are to be considered as holding their stations for three years, unless the public interest should in the meantime require their services elsewhere.

WM. A. GRAHAM,
Secretary of the Navy.
Navy Department, July 19, 1852.

TEMERITY.—Gen. Scott once had the boldness to say, in a letter to Mr. Atkinson, of Virginia, that he "was in favor of the Right of Petition," and he thought "Emancipation was a duty, when practicable." This, in the opinion of certain gentlemen is such a broad ground for suspicion of something wrong, that they cannot support him. The consciences of such men are too tender footed to be useful. It is well that there are others who have no objections whatever to such humane and honorable expressions.—*Galena Advertiser.*

IMPROVEMENTS.—Platteville is steadily improving. Notwithstanding the intimations thrown out by some that our town was at a stand, we see valuable and permanent buildings progressing to completion. The College, which is built of stone, is going on slowly. The character of the work is such that it cannot be forced with out slighting. The intention is to put up a building which will be just as good fifty years hence as at the present time. If stone well laid up will last, the Committee will succeed in putting up a building which cannot be excelled in Wisconsin.—*Ind American.*

☞ We are informed that P. Donaher, Esq., has taken the job to extend the Sheboygan and Fond du Lac Plank Road to Rosendale. He is also about closing an agreement to build 20 miles of plank road from Fond du Lac to Mayville. Mr. Donaher is well acquainted with the business, and will push it along as rapidly as any other man.—*Sheboygan Mercury.*

MILWAUKEE, Aug. 3, 1852.

MESSRS. SIMON & BODE—

GENTLEMEN:—

Permit us, on behalf of all lovers of good music in this city, to beg of you not to leave us without favoring the public with at least one more of your delightful concerts.

We take the liberty of making this request, in order to give the hundreds in this city, capable of appreciating you, and who were unfortunately not present at the exquisite musical entertainment of last evening, an opportunity of hearing in Milwaukee such a concert as is not always to be heard in the largest cities of the world.

Your compliance with our request will be a great favor to us and to the public.

Mrs. Bostwick's Concert.

MRS. EMMA GILLINGHAM BOSTWICK, an artiste of rare merit and a lady of unexceptionable character, gives her first and only Concert in Milwaukee *this* evening. She will be assisted by Mr. APPY, Violinist, Mr. EBEN, Flutist, and HERR HEROLD, Pianist. The first two named gentlemen are already well and widely known in the musical circles of the United States. The latter, HERR HEROLD, is a new comer, whose reputation stands very high. A combination of greater musical abilities could not easily be formed, and that must be an attractive entertainment indeed, which is furnished forth by such eminent artists.

Mrs. BOSTWICK is a host in herself. Her voice is one of great compass and very sweet quality; and her musical education has been careful and thorough. Our citizens have been prompt enough to attend the Concerts of the many foreign artists who have made the tour of the West, and now that an opportunity is offered them of paying a similar compliment to a Native Warbler, whose "wood-notes wild" ring as sweet and as clear as those of Erin's Swan, or Sweden's Nightingale, we trust that they will improve it to the utmost. Let us do honor to American talent by giving Mrs. BOSTWICK a full house and a cordial greeting *to-night*.

We annex a notice of her second Concert in Detroit, from the *Free Press* of that city:

> MRS. BOSTWICK'S LAST CONCERT.—A brilliant assemblage greeted this fair cantatrice on her appearance, last evening at Firemen's Hall. The lady was in fine voice and sang with great sweetness and effect. Her execution of the different passages in "Casta Diva," drew down the enthusiastic plaudits of the audience, among whom we noticed a large number of the musical amateurs of the city.
>
> Every time we listen to Mrs. BOSTWICK'S melodious strain, we are the more inclined to admit her claim to pre-eminence in her profession. Her musical reputation is already established in the great Eastern cities, as entitled to rank with the very first, either in this country or in Europe.—HEROLD'S first solo on the piano was a very happy effort, as were each of his subsequent pieces.—APPY won new laurels in his violin concerto and fantasie, and EBEN'S flute solos were also loudly applauded. The entire affair was a most successful entertainment, and it is the universally expressed wish of our citizens that we may again be favored by Mrs. B. on her return from her proposed tour. —We trust we shall not be disappointed.

CONCERT ON MONDAY.—The Concert given by Mr. FELIX SIMON and Mr. E. A. BODE on Monday evening last, though not as numerously attended as it deserved to be, afforded the highest satisfaction to the appreciative audience assembled on the occasion. The programme included several favorite compositions for the Piano and the Violin, and the efforts of the principal Artists were relieved by the generous and valuable aid of the members of the Musical Society. Two quartettes for stringed instruments were performed by these lost in their usual excellent style. Dr. HUEBSCHMAN sang "Knight Roland" with fine taste, and Mr. BALATKA and Mr. NIEDECKEN together gave a comic duett with so much spirit and expression as to call forth a hearty encore.

Mr. BODE'S Piano-forte playing was greatly admired. His ear is unimpeachable and his execution graceful, spirited and in true taste. His performances were very warmly applauded. Mr. SIMON is a very superior artist. We doubt whether a better Violinist has ever been heard in our city. His instrument possesses a sweet tone, and he produces with it wonderful effects. This was especially visible in his rendering of the "Carnival of Venice." Hackneyed as is this theme and often as most of our music-loving readers have heard it, they could not have failed to be impressed and delighted with Mr. SIMON'S performance. It was alike brilliant and original, and elicited the most enthusiastic plaudits. We rejoice to learn that in compliance with a wish very generally expressed, and conveyed to Messrs. BODE and SIMON in the letter published elsewhere in our columns, these gentlemen will give another Concert at Gardiner's Hall on Friday evening next. We can assure our readers that the entertainment will be richly worth hearing.

OUTLINES OF ENGLISH LITERATURE, by T. B. SHAW, M. A., with a sketch of AMERICAN LITERATURE, by H. T. TUCKERMAN:—BLANCHARD & LEA, Philadelphia.

Our table has rarely been graced with a volume so attractive in its contents as this one, which Messrs. ARNOLD & WILSON have recently sent in. The author is Professor of English Literature in the Lyceum at St. Petersburg, and has prepared the volume which is now reproduced in this country, to aid him in his duties. He has admirably discharged his task. Commencing with a chapter upon the characteristics of the English language, he proceeds at once to sketch the tone and spirit of the works of the English writers, in prose and verse. Chaucer begins the list of worthies and the analysis of the Canterbury Tales which occurs in the second chapter, gives the reader a taste of the quality of the author, which at once fixes his attention, and excites an interest which is not suffered to flag, while the long line of English writers—Sidney and Spenser, Bacon and Raleigh, Marlow and Shakspeare, Beaumont and Fletcher, Bunyan and Locke, and the rest, down to our own times, are brought successively upon the stage.

Mr. Tuckerman's sketch of American Literature, which the publishers have added, is written in his best style, and increases very materially the interest of the book.

We know of many in our city who will appreciate the volume, and who will be glad to possess it.

WISCONSIN FARMER, for August—MARK MILLER, editor, Janesville. Promptly at the beginning of the month this valuable farmer's paper is issued, full of valuable reading matter, among which is the Premium List of the State Agricultural Society. We don't see how our farmers can do without this publication.

CRICKET.—The regular weekly meeting of the Milwaukee Cricket club for practice takes place this afternoon. The wickets will be pitched at 3 o'clock P. M. Members are particularly requested to be punctual in their attendance.

MICHIGAN CENTRAL ROAD-MAILS.—We learn by enquiry in the proper quarter that the great Eastern, Boston, New York and Washington Mails arrive regularly by the Mich. Central at 3 o'clock and 50 minutes A. M., and are despatched north by Wards Boats, as usual.—*Chicago Journal*, Monday.

Resolutions, passed Aug. 2d, at the regular meeting of the German Scott Volunteers of Milwaukee;

1. *Resolved*, That, in the face of the selfish, one sided and fanatical behavior of most of the mere party men in this State and elsewhere we feel the necessity of remembering all of that great verity, and of firmly standing by it—that "*the People are above parties*."

Resolved, That no pretence is more unworthy of free men and disadvantageous for general welfare and liberty, than to have one's own convictions, judgment, and suffrage, prescribed by caucus conventions and nominations, without the right of appeal.

3. *Resolved*, That we indignantly repel the dishonorable pretence that the German, by his first step on the free soil of America, is bound to to become the political slave of one certain party, and the blind and fitting tool of their political wire-pullers.

4. *Resolved*, That very imminent danger to our glorious Union is threatened by *internal wickedness*, and that the most dangerous symptoms of such wickedness appear in the almost despotical ruling of the legislation and politics of 23 millions, by one hundred thousand slaveholders; in the venal submission and selfish abjuring of principles by Northern office-hunters; in the violent efforts to make political opinions the only test in judicial and charter elections, and even the only test of personal worth; in the effort to force religion upon parties, and fanatically to mingle politics with private and business life.

5. *Resolved*, That we acknowledge the principles of true democracy in the inalienable rights of *all men* (colored people as well as others) to *life, liberty and pursuit of happiness*, and in the sacred right of self-disposition in religion, political and social thinking and acting, rights which no majority is entitled to interfere with for other purposes, as well as for securing the same rights of others against abuse by misusing these rights.

6. *Resolved*, That we are opposed to the encroachment of Slavery upon the free territories of the United States, New Mexico and the Indian Territory especially; and to the annexation of more Slave States, and to any more encroachment of the slavery power.

7. *Resolved*, That for our western lakes and rivers bordering on the several States, we demand the same protection and support from the General Government of which the Eastern and Southern sea-shore has had so large a share already.

8. *Resolved*, That we consider these questions *the main questions in the present campaign*, and all the other issues of secondary importance.

9. *Resolved*, That Franklin Pierce, whose political life shows him to be a *zealous supporter of the Slavery Power, an enemy of Western River and Harbor Improvements, an opponent to the Right of Petition*, and an exclusive party man, *cannot be the right man* for the progress of our Union, and especially *not the man for our West*.

10. *Resolved*, That WINFIELD SCOTT'S wounds and victories during forty years, his well-tested talent for organization, his circumspectial conduct in South Carolina, New York and Maine, his humane care for the sick with Cholera, his escort of the Cherokees, and his conquest of Mexico, his staunch proclaiming of his convictions, *and his manly avowal of errors, when he was wrong*,—appear to us *to be the best security that he is the right man for our people and for our time*.

11. *Resolved*, That we, *being Germans and Freemen*, will decidedly repel any attempt to shorten our political rights, on account of our place of birth, or our different language and habits; but that when we declared our intentions to become citizens of *this* country, *we entered on the duties of all other citizens of this country*; that among these duties, there is one of *respect and gratitude* to those men, who have well deserved of our new Fatherland: that *respect and gratitude to* WINFIELD SCOTT, who has bled and conquered and for forty honorable years labored for this country, appear to us to be the duty of all native or adopted Americans; and that we, being adopted Americans, on account of this respect and gratitude, *may well forget one wrong*, which we adopted citizens are *alone* entitled to forgive, (as it touched *none but us*,) and which long ago has been repented by him.

12. *Resolved*, That we are for supporting the *Veto Power of the President*, and believe it to be a true democratic principle, by the candid and just use of which the people may be protected against unwise laws, or from excited or depraved majorities in Congress.

13. *Resolved*, That these our convictions, we offer to our German countrymen of Milwaukee, and all Wisconsin, asking them to think over and to remember the old sentence, "Try all, and keep the best."

Signed, THE GERMAN SCOTT VOLUNTEERS.

The Monroe *Sentinel*, a democratic paper, gives the following favorable notice of the "Life of Gen'l Pierce" which has been lately put in circulation, and received the endorsement of the democratic organs in this quarter:

> "*The Life of Gen. Frank. Pierce!*"
>
> Some ninny, who uses the signature "Hermitage" has been "writing" the life of Gen. Pierce —or his father, we don't know which: and the Albany (N. Y.) Journal has reviewed it, and the Whigs are publishing the review to detract the character of Gen. Pierce. Here are some paragraphs from the "work," and from them we may certainly draw some idea as to the probable value of the whole affair. We commence with an account of Gen. Pierce's father when Governor of New Hampshire:
>
> "Old Gen. Pierce was no scholar. He had devoted his life to deeds, and not to books; and it is said that while he was sitting by the kitchen fire one night, writing his annual message to the Legislature, he came to a full stop on one word he could not possibly spell."
>
> "After rallying all his own literary forces, and manœuvering them as skillfully as he could, he was obliged to draw off and ask for quarters!"
>
> "Frank," said he to his son sitting near by, "how the devil do you spell *but?*"
>
> Hold your sides ready! Be not immoderate in laughter. There is more in store for thee.
>
> We will now give you something about the Democratic candidate for the presidency—Gen. Pierce. Keep your face "straight:"
>
> "He lives (just as a man ought to live, before he is nominated for the Presidency of a great republic,) in a small white house, near Main-st. in Concord.
>
> * * * * * * *
>
> "He drives round in his little wagon and in works of public usefulness.
>
> You cannot help loving a man like him. And then he is a fine looking man—all the ladies will testify to that, and that goes a great ways."
>
> There now, you know it "all" about the father and son! Who wouldn't like to live in Concord —"just as a man ought to live before he is nominated for the Presidency of a great republic," and then to be so much *admired by the ladies!*
>
> We have only to say that if such a book cannot elect a man, nothing that the author can write will; and, if the Whigs can effect *any good* purpose by using it, we say—go ahead.
>
> The whole affair looks like a superb farce.

APPORTIONMENT BILL.—In the House of Representatives, on Thursday, the Apportionment Bill, which passed the Senate some time since, was passed as it came from the latter body. The action of Congress in the premises was rendered necessary on account of the accidental destruction of a portion of the population returns of California by fire, as in their absence it was impossible for the Secretary of the Interior to make the appointment according to the provisions of the law of May 23, 1850.

Under the act of Congress just passed, the number of Representatives will be two hundred and thirty-four, distributed as follows, viz:

GENERAL SCOTT'S HUMANITY.—The following anecdote is related by the New York *Times*:

> When Gen. Scott was preparing to take passage homeward from Vera Cruz, in order to show their high appreciation of his labors, the persons in authority there, all well as the rest of the population, urged him to take the largest and best ship in the harbor, for the passage of himself and staff. He positively refused.
>
> "No," said he, "I will not take one of those vessels. Soon my gallant comrades, who have shared with me the dangers of the battle, will be here, and if I take one of those vessels, at least one or two regiments returning to their homes must brave the pestilence, that I may be comfortably accommodated. No," said he, "a small vessel that can accommodate myself and staff, must be provided, and what we lack in comfort will be repaid by the satisfaction we will have in having considered the welfare of our comrades."
>
> There was a small brig in the harbor, named Petersburg, Captain Wilson, master, of one hundred and sixty tons. He sailed in her. But she contained the seeds of yellow fever. In three days the pestilence broke out, and Scott was seized with the disease, which threatened his existence for a time. The examples of his generous and humane feelings are numerous; these are but accidental specimens.

THE MARKETS.

OFFICE OF THE DAILY SENTINEL, }
MILWAUKEE, August 4, 1852. }

Weather fair yesterday, and business good.

Receipts of produce light. We heard of no sales of new wheat.

Oats—In demand at 26@27c.

Rye—a load of new sold at 44c.

Barley—the new crop begins to come forward. We note one sale at 35c.

The general impression is that winter wheat will be worth 63@65c here, if prices undergo no change East.

Chicago, August 2—Receipts are not heavy, and the market, except for corn and oats, is inactive.

The demand for these continues, and corn has still further advanced, selling by the cargo at 42c, and from railroad and teams at 45½c ℔ 60lbs.

Receipts since last report, sum up about 7000 bu corn, 4500 bu oats, 500 bu wheat.

Corn—Sales at 42c afloat; 42@45c may be said to be the market range, the latter figure for 60 lbs.

Oats—In fair demand; 27a28c may be ruling figures.

Wheat—Receipts nominal and prices ditto; spring 36a42.

Barley 30c; light receipts.

Oats—Sales of several parcels at a range of 26a28c.

Potatoes in fair demand, commanding readily 62½.—*Journal.*

Boston, July 30.

WOOL.—The sales of fleece wool in this market the past week will not fall much short of 200,000. lbs. full prices have been obtained, and it is now considered as settled that the article will sell during the season much higher than was expected before shearing. The principal reason for this is the fact that the clip has been much smaller than had been calculated upon. This, in connection with the fact that the importation of foreign wool has been, and will be, unusually light, renders it probable that prices will advance rather than recede the coming autumn.

HYDROPATHY—OR WATER CURE
DR. BARRETT, Proprietor of the "CHENANGO WATER CURE," Binghamton, N. Y. respectfully informs the Citizens of Milwaukee and vicinity, that he intends visiting them, on or before the 6th of July, for the purpose of delivering a "Course of Public Lectures," on the treatment of HOUSEHOLD DISEASES by the use of PURE WATER ALONE, in its various forms of application, combined with Pure Air, Wholesome and Nutritious Diet, and judicious Exercise.
Dr. BARRETT'S Rooms will be at the AMERICAN HOUSE, where he will consult with those who may wish to see him professionally, in the treatment of their own or family diseases. Aug4

PLANEOSPHERICAL MACHINE,
FOR CRUSHING, GRINDING, AND PULVERISING.
COCHRAN'S PLANEOSPHERICAL QUARTZ CRUSHING AND PULVERIZING MACHINES, of various sizes, from 2 to 10 feet in diameter, and weighing from 500 lbs. to 10 tons each, are now in daily operation for the inspection of the public, and will be submitted to any reasonable practical tests proposed by parties interested.
These machines, by their simplicity of construction their durability, the undoubted principles upon which they operate, their effective operation and result, are justly entitled to the consideration of all parties engaged in grinding, crushing, and pulverising, Quartz, Zinc Ore, and all other ores, or mineral substances.
It is the peculiar feature of the economy of these machines that they are found capable of crushing and pulverising into the finest powder any amount of Quartz or other earthy matter, in proportion to the amount of weight or power applied. The earthy matter is so completely ground and pulverized, that the Gold may be easily separated, and subjected to any process of amalgamation that may be necessary.
The machines work and deliver wet or dry, as may be required, and run with little friction (being almost without machinery), requiring no lubricating; the principle upon which they operate precludes the possibility of their being put out of order; nor do they heat any material while being pulverised. They are at once applicable for all purposes of grinding and pulverising, from those required by the DRUGGIST to those of the most extensive operation in CALIFORNIA and AUSTRALIA.
The proprietors of this invention solicit examination, and will prove by practical tests the vast superiority and economy of these machines over any other, for crushing, grinding, or pulverising, heretofore offered to the public.
These machines may be seen in operation at foot of South Eighth street, Williamsburgh; at the large Patent Block and Saw Factory of Messrs Burr, Waterman & Co. First street, south of Peck Slip Ferry, every day, from 7 to 9 A. M., and from 4 to 6 P. M. For further particulars apply to

DAILY SENTINEL.

BY TELEGRAPH.

BY THE O'REILLY LINE.

Reported for the Daily Sentinel.

KENOSHA, Aug. 3.

The proposition to borrow $20,000 on the faith of the city for the purpose of improvements, was negatived, by the freeholders of Kenosha at an election held to day. S. S.

Horrible Affair.

St. Joseph, Mo., July 28th, 1852.

Yesterday morning, a Mr. Willard, an auctioneer of this city, was seized by several persons here, taken to the woods and horribly murdered. In the afternoon, he was discovered, together with some of the perpetrators of the deed, in a dense thicket, by two young men, hunting blackberries. They had tied him to a tree, and whipped him to death.

The alarm being given, a crowd of citizens repaired to the spot and found his body a short distance from where it was first discovered, covered with bushes. The body was nearly naked and shockingly mutilated. The names of the persons discovered at the spot, are Langton, Jones and Anderson. They were arrested and lodged in jail, and are to be tried to-day.

Great excitement prevailed last night. The jail was guarded to keep it from being broken into, and the prisoners from being lynched.

Washington, July 30.

IN SENATE.—The Indian Appropriation bill was taken up, when Mr.——, from the Committee on Finance, moved to amend the bill, by striking out the following:—

For additional compensation to the Menominees for the sale of their lands in the State of Wisconsin, by the treaty of October, 1848, $221,840, the same to be paid in such sums and at such times, with the approbation of the said nation, as the President may think most conducive to their prosperity and happiness."

The motion to strike out was agreed to.

Mr Hunter moved to insert in lieu of what was stricken out an appropriation of $25,000 for the removal of the Menominees to a part of Wisconsin on the Wolf and Oconto Rivers. Agreed to.

The bill was postponed.

Poughkeepsie, July 30.

Ann Hoag, the murderess of her husband, and Jonas Williams, the negro, for the murder of Amelia Poe, (colored girl,) aged twelve years, have just been executed in the Court House, by Sheriff Mory.

The female Hoag, made a confession, in which she stated that Mr. Summers was her confederate.

Orders to Equip the Frigates Columbia and Savannah.

Norfolk, July 29.

Orders have been received here to equip immediately the frigates *Columbia* and *Savannah*.—The officers of the United States steamer *Powhatan* have been ordered to report for duty by the 10th of August.

Boston, July 29

The schooner Flying Cloud reports three hundred vessels in the Gulf of St. Lawrence—mackerel scarce.

Brig Halifax in the bay, ordered to seize vessels fishing within the line laid down by the British Government, which cuts off vessels on all ground except the neighborhood of Jasper and Magdalene islands. A duty of sixpence also laid on vessels for anchorage by provinces—never required before. A schooner from the bay of St Lawrence reports that on the 23d a British steam frigate was seen off Jasper, with two American fishermen in tow.

FIRE.—A fire broke out on Saturday night in the grocery and liquor store, corner of Randolph and La Salle sts., occupied by Louis J. Parent. The flames soon communicated to the Saloon and Vinegar Depot on the corner, and on the other side to the Pavillion Saloon.

The losses by the fire were—

Mr. Bittenbring, Saloon-keeper on the corner; Louis J. Parent, liquor dealer, and Mr. Westhall of the Pavillion Saloon.

John Holmes, engraver, in the upper story, suffered some loss.

Mr. Parent's goods were insured for $2,000; the building belonged to Rudolph Wehrly, (butcher,) and was insured.

Mr. Westhall lost some in the removal of furniture; the building was owned by Mr. Gert, and was insured.

Geo. Pfister, blacksmith on La Salle st., suffered some from removal of stock and tools.

Another.—The alarm of fire this morning, proceeded from a cooper shop, near the Southern Railroad Depot.

The shop and contents was burned.—*Chicago Journal.*

☞ The Canada, with a large load of oats on board, got a ground on Hog Island while coming down. She had not got off at 8 o'clock Saturday evening.

The Forest City was detained in Dunkirk by the storm till late on Friday night, which was the reason she did not arrive here till late Saturday afternoon. She brought up a large load of very respectable looking emigrants.—*Detroit Adv.*

FROM THE WEST.—Several parties of Californians have arrived overland at Weston, Kanesville, and other towns. Up to the 13th of July, 25,665 men, 7,021 women, 8,270 children, 8,483 horses, 5,853 mules, 90,340 cattle, 23,230 sheep, 8,166 wagons, had passed Fort Kearney. Mr. Thomas A. Stoddart reports having counted six hundred fresh graves between Fort Kearney and Weston. The emigrants were getting along better than in any previous season.—*St. Louis Republican, July 29.*

PRESERVING THE UNITIES.—John W. Forney, the pander to Forest, whose solicitation of Geo. Roberts to suborn a drunken man to charge an act of unchastity upon Mrs. Forrest, covered him with fadeless infamy, charges Gen. Scott with, "embezzlement" and cowardice" through the columns of the Pennsylvania. The slander of such miscreants can be borne—their praise would be a curse to its object.—*Detroit Advertiser.*

☞ The Democratic Judicial Convention which met in this town, on the 30th June, have, since the commencement of the Mineral Point Democrat, given publicity to their doings. Their arrangements certainly could not have been perfected, even by the convention, else they would have asked us to publish. Convention dictation will not go down in this vicinity.—*Platteville American.*

Also, a well to be sunk to such a depth as to procure good water, well walled up, with a curb, windlass, iron chain and iron hooped bucket.

The contractor is also required to fit up the light with 5 lamps and 5 14 inch reflectors, after the manner of those furnished heretofore by Winslow Lewis, Esqr., of Boston, for the different lights on the north-western Lakes; to furnish 4 tin cans complete with faucets, each capable of holding 60 gallons, one diamond, one full set of measures, one oil filler, two oil carriers, and one wick former.

The selection of WINFIELD SCOTT for President and WILLIAM A. GRAHAM for Vice-President, has gratified our ardent wishes and strengthened our earnest hopes. Our conviction has long been fixed that Gen. SCOTT is the very man fitted and marked out by his heroic achievements—his inestimable services, at critical periods, in preserving our National tranquillity and preventing the effusion of blood—by his unquestioned integrity, his self devoting patriotism, his unsectional position and his humanity—to unite the Whig Masses in one enthusiastic, invincible host and lead them on to victory. So believing, we have labored and hoped for his nomination, and we now confidently look to the result to justify our sanguine anticipations.

THE TRIBUNE, standing on its own Platform and knowing no other authority but truth, will do its utmost for the election of SCOTT and GRAHAM; but it will not be absorbed by Political discussion. We have chosen to proffer Campaign subscribers a large sheet rather than a small and cheaper one, because the postage is the same, and because we wish to extend the knowledge of what THE TRIBUNE habitually is. The letters of our Associate, BAYARD TAYLOR, who next writes us from Syria, the ruins of Nineveh, Constantinople, &c., will appear every week, with reviews of new Books, Proceedings of Congress and the general Foreign and Domestic News of the Day. If there is another journal in America more valuable or interesting than THE TRIBUNE it is not because more money or labor is spent thereon.

All the Editions of THE TRIBUNE are printed in large Quarto form, on a sheet 31 by 42 inches, showing eight large and compact pages of reading matter. About half the Daily is devoted to Advertisements, very few of which appear in our other Issues. No ten dollar daily in the world contains more reading matter than THE TRIBUNE, which is afforded at $5 per annum, or $1¼ for three months.

SEMI-WEEKLY TRIBUNE:

One copy (per annum) $3; Two do. $5; Ten do. $20.

WEEKLY TRIBUNE:

One copy (per annum) $2; Three do. $5; 8 do. $10; Twenty do. (to one address) $20.

_ Payment is in all cases required in advance.

Subscriptions for THE CAMPAIGN TRIBUNE, or either of our regular issues, are respectfully solicited. All notes of specie paying banks taken at par and may be remitted at our risk. Please address

PATENT MEDICINES.

Entered according to Act of Congress, in the year 1851, by J. S. HOUGHTON, M. D., in the clerk's Office of the District Court for the Eastern District of Pennsylvania.

Another Scientific Wonder!

DR. J. S. HOUGHTON'S GREAT DYSPEPSIA CURER!

THE TRUE

DIGESTIVE FLUID, OR GASTRIC JUICE

PREPARED from Rennet, or the fourth Stomach of the Ox, after directions of Baron Liebig, the great Physiological Chemist, by J. S. Houghton, M. D., Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, Curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

☞ Half a teaspoonful of PEPSIN, infused in water will digest or dissolve, Five Pounds of Roast Beef in about two hours, out of the stomach.

PEPSIN is the chief element, or Great Digestive Principle of the Gastric Juice—the Solvent of the Food, the Purifying, Preserving and Stimulating Agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its Chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation the pains and evils of Indigestion and Dyspepsia are removed, just as they would be by a healthy Stomach. It is doing wonders for Dyspeptics, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the verge of the grave. The Scientific Evidence upon which it is based, is in the highest degree Curious and Remarkable.

SCIENTIFIC EVIDENCE.

Baron Liebig in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Calf, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Pereira, in his famous treatise on "Food and Diet," published by Fowler & Wells, New York; page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Pereira.

Dr. Combe, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantity of the Gastric Juice is a prominent and all prevailing cause of Dyspepsia;" and he states that "a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding everything else to fail, had recourse to the Gastric Juice, obtained from the stomachs of living animals, which proved completely successful.

Dr. Graham, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in physiology, that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion of them in no wise different from the natural digestive process."

Professor Dunglison, of the Jefferson College, Philadelphia, in his great work on Human Physiology, devotes more than fifty pages to an examination of this subject.—His experiments with Dr. Beaumont, on the Gastric Juice, obtained from the living human stomach and from animals, are well known. 'In all cases,' he says, "digestion occurred as perfectly in the artificial as in the natural digestions."

Dr. John W. Draper, Professor of Chemistry, in the Medical College of the University of New York, in his "Text Book of Chemistry," page 386, says, "It has been a question whether artificial digestion could be performed—but it is now universally admitted that it may be."

Dr. Carpenter's standard work on Physiology, which is in the library of every Physician, and is used as a Text-Book in all the Colleges, is full of evidence similar to the above, respecting the remarkable Digestive power of Pepsin, and the fact that it may be readily separated from the stomach of the calf or ox, and used for experiments in Artificial Digestion, or as a remedy for disease of the Stomach, and deficient secretion of Gastric Juice.

All modern works on Chemistry, Materia Medica, and Physiology, and all good Medical Dictionaries, describe the character and properties of PEPSIN, and state many interesting details respecting it.

The fact that an Artificial Digestive Fluid, or Gastric Juice, perfectly resembling the natural fluid, may be readily prepared, does not admit of question. The only wonder is, that it has not before been applied to the cure of indigestion and Dyspepsia—so naturally does such a use suggest itself to the mind.

AS A DYSPEPSIA CURER,

DR. HOUGHTON'S PEPSIN has produced the most marvellous effects, in curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement; but authenticated certificates have been given of more than Two Hundred Remarkable Cures, in Philadelphia, New York, and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful but permanent.

It is a great Nervous Antidote, and particularly useful for tendency to Billious disorder, Liver complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine, Mercury, and other drugs upon the Digestive Organs, after a long sickness. Also, for excess in eating and the too free use of ardent spirits. It almost reconciles Health with Intemperance.

OLD STOMACH COMPLAINTS.

There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it gives Instant Relief! A single dose removes all the unpleasant symptoms; and it only needs to be repeated for a short time to make these good effects permanent. Purity of Blood and Vigor of Body follow at once. It is particularly excellent in case of Nausea, Vomiting, Cramps, Soreness of the pit of the stomach, distress after eating, low, cold state of the Blood, Heaviness, Lowness of Spirits, Despondency, Emaciation, Weakness, tendency to Insanity, Suicide, &c.

Dr. Houghton's PEPSIN is sold by nearly all the dealers in fine drugs and Popular Medicines, throughout the United States. It is prepared in Powder and in Fluid form—and in Prescription vials for the use of Physicians.

Private Circulars for the use Physicians, may be obtained of Dr. Houghton or his Agents, describing the whole process of preparation and giving the authorities upon which the claims of this new remedy are based. As it is not a Secret Remedy no objection can be raised against its use by Physicians in respectable standing and regular practice. Price One Dollar per bottle.

☞ Observe this.—Every bottle of the genuine PEPSIN bears the written signature of J. S. HOUGHTON, M. D., sole proprietor, Philadelphia, Pa. Copywright and Trade Mark secured.

☞ Sold by all Druggists and Dealers in Medicine.

It is also an excellent remedy and not surpassed by any medicine in use, for females suffering from uterine or nervous derangement.

HAWKINS' STAVE DRESSING MACHINE.

PATENTED JULY 22, 1851.

THIS machine is now in successful operation at the shop of Wm. Hawkins in this city, and will dress Staves for

Packing, Flour and Whiskey BARRELS,

and PIPES or HOGSHEADS, at the rate of

600 Whiskey or 800 Flour Barrel Staves PER HOUR,

straight, winding or crooked. In fact, any stave that can be worked by hand will be dressed by this machine, either for tight or slack work, from 22 inches to 72 inches in length of any reasonable width, and *to any requisite bilge,* and in the most perfect manner. The stave passes through the machine a single time, is dressed by rotary cutters and is then ready for the truss hoops. The dressing of the sides and jointing of the edge of the stave is performed perfectly. The machine is made of iron, is strong and durable, and is not difficult to keep in good order for use. Six horse power is sufficient to drive the machine with all the speed necessary.

The Subscribers having purchased of Wm. Hawkins the patent right for the United States are prepared to sell rights for States, Counties or [illegible] and to furnish and set up the machines, warranted to perform perfectly. In the great saving of expense of transportation of dressed over the rough stave, the rapidity and perfect manner with which it performs its work, consists the value of this machine.

Satisfactory testimonials can be furnished if desired.

STOVES, STOVES.

RELIANCE WORKS,

West Water Street, Milwaukee, Decker & Seville,

Proprietors and General Manufacturers of

STOVES, (BOTH WOOD AND COAL.)

FOR COOKING, PARLOR & OFFICE USE; GRATES, FIRE FRONTS, CITY AND COUNTRY HOLLOW WARE, KETTLES of all kinds; SAD-IRONS, STRAW-CUTTERS, CORN-CRACKERS & SHELLERS, AGRICULTURAL IMPLEMENTS, AND PORTABLE **GRIST MILLS.**

THE subscribers, thankful for past favors, beg leave to announce that they have recently added the FOUNDRY business to their former occupation of Mill stone manufacturing, and are now prepared to supply the public with articles in either branch, on terms that will defy competition.

In offering our Stoves to the community, we do so with the full assurance that we can supply better articles than can be purchased at any other place, being entirely new patterns, manufactured with care and from the very best materials. The following list of patterns is offered with the confidence that they will give satisfaction in every particular, viz:

THE ECONOMIST DOUBLE OVEN COOKING STOVE,

(*Which received the First Premium at the State Fair, lately held at Janesville,*)

Possesses great advantages over every other stove, for plain lines, and direct application of heat, being so arranged that one or both ovens can be used at pleasure. It will cook in half the time of any other stove now in use, and with half the fuel, not consuming over four cords of wood in one year.

The TRIUMPH, single oven, takes in long wood, is an excellent stove—one that has been well tested, and given general satisfaction.

The PREMIUM is different in its construction from any other made, in the arrangement of the fire back—acknowledged to be a great improvement.

The JUNO PARLOR is adapted to either wood or coal, being decidedly the neatest arrangement ever offered to the public, having all the convenience of the stove combined with the beauties of the open grate. It is beautifully ornamented, highly finished, and perfect in every respect—the entire front above and below the grate being opened or closed with three doors, and so arranged that when open they are completely out of sight. It is equally adapted to offices as well as parlors.

The RADIATOR is the best coal stove ever got up as a retainer of heat.

Persons purchasing their stoves of us in the event of any of the plates getting broke, can at all times be supplied with extra ones, thus superceding the necessity of throwing away stoves, which many are daily compelled to do in buying Eastern ware.

Those who are in want of an article in our line, will find it to their advantage to give us a call before purchasing elsewhere, as we are confident that we can give satisfaction in all cases. City references given, where our stoves can be seen in operation. Stoves delivered and set up in any part of the city, free of charge. All orders promptly attended to.

IMPORTANT TO THE PUBLIC!

THE following advertisement was published in May, 1849, in the "Boston Daily Times," and various other newspapers in the United States, by James G. Wilson, Esq., the owner of the "Woodworth Patent," shortly after I had advertised my "PATENT STATIONARY CUTTER, PLANING, TONGUEING, AND GROOVING MACHINE," throughout the United States:

"PLANING MACHINES.

"I take this method of answering the frequent inquiries, by letter and otherwise, as to my opinion upon the various notices through the papers, of the Stationary Knife Planing Machines attempted to be palmed off upon several persons ignorant of their true worth. I would state for the information of the enquirers that they will find substantially the machine now offered by several pretending inventors, described in the 10th volume of the Repertory of Arts, invented by Samuel Bentham, in the year 1791. A like machine was patented in this country by one Kugler, some sixteen years since, and another one put up by Albert Richards, of West Troy, N. Y., and abandoned about the same time. It ought to satisfy the public to know that after fifty eight years experimenting upon these machines, not one in use is of any value for the purposes contemplated.

I will furnish a Stationary Knife Machine equal to any now in use, or to any offered by the pretending inventors, at the cost of the machine and five per cent for my trouble.
JAMES G. WILSON,
Philadelphia."
May 19, 1849.

I deny that any person ever saw or heard of such a machine as mine until I invented the same. Said machine was operated in the month of August, 1848, and no machine before this could do so much work, and do it as well as mine. In reply to the above advertisement, and in order that the public may be assured that I mean what I say, I will offer to pledge ONE THOUSAND DOLLARS against an equal amount from said Wilson, that ONE of my machines will plane, or plane, tongue and groove with less power, as much lumber in the same time, and do it as well, or better than TWO of the "Woodworth" machines. The trial to be made at my Steam Mill, Border St., East Boston, Mass., or at such other place as may be convenient for such a trial.

NO. 1. R. R. R. RADWAY'S READY RELIEF,

Is the first and only remedy ever recorded in the Medical History of the World that has stopped the most violent pains in a few seconds.

IT WILL STOP **THE MOST SEVERE PAINS** IN A FEW MINUTES, AND CURE THE MOST OBSTINATE AND TORMENTING RHEUMATIC, NEURALGIC AND NERVOUS COMPLAINTS IN A FEW HOURS, INTERNAL AND EXTERNAL.

IT WILL STOP **THE MOST EXCRUCIATING PAINS,** IN FROM THREE TO FIVE MINUTES! AND HAS CURED

Rheumatism........	In Four Hours.
Neuralgia........	In One Hour.
Croup........	In Ten Minutes.
Diarrhœa........	In Fifteen Minutes.
Toothache........	In One Second.
Spasm........	In Five Minutes.
Cramps........	In Five Minutes.
Sick Head Ache........	In Fifteen Minutes.
Chill Fever........	In Fifteen Minutes.
Chilblains........	In Five Minutes.
Sore Throat........	In Four Hours.
Influenza........	In One Hour.

SPINAL COMPLAINTS, STIFF JOINTS, STRAINS, BRUISES, CUTS, WOUNDS, FROST BITES, CHOLERA MORBUS, DYSENTERY, TIC DOLOREUX, and all other complaints where there is severe pain, RADWAY'S READY RELIEF will instantly stop pain, and quickly cure the disease.

THE HUMAN FRAME

Is the most perfect masterpiece of mechanism in the universe. Every artery, muscle, ligament and bone, exhibits in its formation the wisdom of the Deity. Every joint and sinew works harmoniously with each other, and upon the natural performance of every function depends the healthful action of the whole.

PAIN

Disorganizes the whole system, it prostrate the nerves, it relaxes the muscles, it weakens the joints, it interferes with the functions of every organ, it checks the free and healthy circulation of the blood, it paralizes the absorbents, and renders them unable to take up and replete the wasted form with sound material. From the very moment that this beautiful masterpiece of God becomes afflicted with pain, the influence is experienced throughout the whole system, no matter in what particular locality the pain may originate; whether in the Head, the Feet, the Back, the Knee Joints, the Elbows, the Teeth, the Gums, or the Stomach; whether it arises from internal derangement, or is the result of external injuries, still the pain exercises its influence throughout every portion of the human system.—Not a nerve or a muscle escapes its prostrating influence.

INSTANT RELIEF FROM PAIN

Is the great desideratum of every individual who suffers its tortures, no matter how light or severe its paroxysms may be. No one can feel happy while suffering its torments.

RADWAY'S READY RELIEF *In a few seconds* WILL STOP THE MOST DISTRESSING PAINS.

Its effects are like electricity; it arrests the most distressing pangs in a few seconds, its soothing, neutralizing and healthful influences thrill through every minute cell, membrane, and establishes the secretion of every gland in the system, subduing the most excruciating paroxysm of pain, and imparting strength and vitality to every organ.

NEURALGIA. PAIN STOPPED INSTANTLY.

Radway's Ready Relief possesses an almost miraculous influence over the sharp darting pangs of pain of this cruel complaint. In a few minutes the pain-stricken sufferer experiences the delightful sensations of departing pain. It has cured thousands of cases in the city of New York, where many of them had been brought almost to death's door. The effects of the Ready Relief is to stop the pain immediately, to strengthen the nervous system, and supply the nerves with nervous energy and vitality, the loss of which is the chief cause of nervous pains.

DANGEROUS PRACTICE.

The use of Morphine, Strychnine, Aconite, Belladonna, Arnica, and other poisons are not only dangerous but cruel. The effect of these poisons is not to cure the disease, or to remove from the system the pains, *but to deaden the nerves, to weaken and stop the nervous energy, to paralyze the functions of the nervous system, and to destroy sensation.* If this practice is continued for any length of time, the patient will not only waste away, but the brain will become paralyzed, and the intellect destroyed.

RADWAY'S READY RELIEF IS FREE FROM MORPHINE,

And all other dangerous and narcotic influence. To the weak and paralyzed nervous system it imparts life instead of death, and the pain is stopped by the healthy influence which Radway's Ready Relief imparts to the nerves, instead of the lifeless, sleepy and paralyzing effect which Morphine, and all other preparations containing this poison, produces on the system.

SICK HEADACHE.

Radway's Ready Relief will stop the most distressing pains in a few minutes, and prevent renewed attacks. It will cleanse and sweeten the stomach, and neutralize the poisonous acids of the system.

ALL BOWEL COMPLAINTS,

Diarrhœa, Dysentery,
Bloody Flux, Cholera Morbus,
Painful Discharges,

It relieves the most severe pains in a few minutes—checks the most distressing discharges, and

SPEEDILY REMOVES THE CAUSE.

RHEUMATISM. PAINS RELIEVED IN FIVE MINUTES.

Radway's Ready Relief will stop the severe and excruciating pains of Rheumatism almost instantly. Persons are living in this city who, for months, were confined to their beds by Rheumatic pains, whose bones were unsound from top to toe, whose joints were distorted with painful swellings, that were relieved from all pain in 15 minutes by the use of Radway's Ready Relief. This is truth, and thousands in the city of New York, and hundreds of thousands in the United States, can answer for the truth of this assertion—we need no certificates of Cures—we publish no long list of names to prove the efficacy of Radway's Ready Relief, for the Citizens of almost every town in the Union, for the last four years, have tested it for themselves.

CHILL FEVER.

CHILLS STOPPED IN A FEW MINUTES—PAIN RELIEVED INSTANTLY.

Radway's Ready Relief acts like a charm in all cases of Chills and Fever. It breaks the chills immediately—warms up and invigorates with health and strength every organ and secretion of the system.

PAINS OF ALL KINDS.

Whenever you feel pain, apply Radway's Ready Relief—it is sure to relieve you in a few minutes. If you have pains in the Stomach, Intestines, in the Liver, Kidney's, Bowels, Joints, Bones, Radway's Ready Relief, taken either internally or applied externally, will in a few minutes stop pain and quickly remove its cause.

BEAUTY.

Complexion richly tinted with the bloom of health,
With skin as pure and fair as Parian marble,—
Soft and sweet as the fragrant rose—
Teeth as sound and white as alabaster,
Breath of sweetest fragrance, and lips of coral tint,
With flowing ringlets and glossy locks,
Luxuriant tresses dancing gracefully o'er the swan like neck
No dark repulsive spots to mar the pleasing picture,
Or to cast dull shadows o'er beauty's master piece.

RADWAYS MEDICATED SOAP.

Composed of the most delicious, rare and fragrant gums,
Of extracts, oils, and costly essences—
Of flowers, roots, trees, and oriental plants,
Possessing wondrous virtues o'er skin diseases.

TO THE COMPLEXION IT IMPARTS BEAUTY.

By cleansing the skin from all eruptive matter,
Makes clean the pores, gives action to the capillaries,
By which all poisonous humors are ejected,—
And a healthy action to the skin restored,
To the teeth it gives whiteness and prevents decay,
It makes the skin soft, sweet and smooth,
Transforms the most repulsive and disfigured visage,—
To a clear and beautiful complexion.

RADWAY'S CIRCASSIAN BALM.

Imparts nutriment to the hair,—
Makes it strong, glossy, rich and luxuriant,
Cleanses the scalp from dandruff,—gives action to the bulbs,
Fastens the hair upon the scalp, and forces it to grow—
Like guano to a barren soil, it makes it rich and productive,—
To dress the hair, make it smooth and glossy,—
Strong and beautiful, &c.

Radway's Circassian Balm is the "ne plus ultra."

We would respectfully call the attention of our many friends, and the public generally, to an instrument we have recently imported from Paris, called a

"Conformateur,"

from which the above cut was taken. By it we can take the exact shape, and unerringly *fit* the most irregular heads. Many can testify to the inconvenience, and annoyance, and actual pain they are subjected to, in breaking in Hats that will not fit them. By this ingenious contrivance, this very great annoyance is done away; as the Hats are made to fit perfectly the first time.

Another great advantage is, by keeping a copy of the impression, we can at all times fit our customers from all parts of the country.

We invite all who desire a perfect fit in a Hat, to call and leave an impression of their head; and all those who take pleasure in witnessing the inventions of the ingenious, to call and see the operations of this curious instrument.

Having adopted the CASH SYSTEM (which all will readily acknowledge to be the best,) we are enabled to sell the best Silk Hat made, at the extreme low price of $4.25; surpassing any $5 Hat sold in this city. Our Hats are all manufactured by ourselves, and in offering them to our customers, we do so, with the confident assurance, they are all we recommend them to be. We invite all who do not wish to pay two profits upon a Hat, and are willing to save 25 per cent, to call and see us.

PATENT MEDICINES.

LIVER COMPLAINT.

JAUNDICE, DYSPEPSIA, CHRONIC OR NERVOUS DEBILITY, DISEASE OF THE KIDNEYS, AND all diseases arising from a Disordered Liver or Stomach, such as Constipation, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of Vision, Dots or Webs before the Sight, Fever and Dull Pain in the Head, DEFICIENCY OF PERSPIRATION, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and great Depression of Spirits, CAN BE EFFECTUALLY CURED BY DR. HOOFLAND'S CELEBRATED GERMAN

BITTERS,

Prepared by Doct. C. M. Jackson, AT THE GERMAN MEDICINE STORE, 120 Arch-st., Philadelphia.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are withal safe, certain and pleasant.

READ AND BE CONVINCED.
[From the Boston Bee.]

The Editor said, Dec. 3d: "Dr. Hoofland's celebrated German Bitters, for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor, a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use."

SCOTT'S WEEKLY, One of the best literary papers published, said, August 25 "DR. HOOFLAND'S GERMAN BITTERS, manufactured by Dr Jackson, are now recommended by some of the most prominent members of the faculty, as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitution will find these Bitters advantageous to health, as we know from experience the salutary effect they have upon weak systems."

The Daily Sun says:—"It is one of the best medicines of the age for Jaundice and Liver Complaint."

Neal's Gazette says:—"Dr. Hoofland's German Bitters we know to be an excellent article, fulfilling in every respect what is claimed for it by the advertiser."

The Evening Bulletin says:—"The celebrated German Bitters are said to be an invaluable remedy for Jaundice, Dyspepsia, and Nervous Complaints."

The Daily News, July 24, says:—"A Medicine"—We speak knowingly of Dr. Hoofland's celebrated German Bitters, when we say it is a blessing of this age, and in diseases of the biliary, digestive and nervous systems, it has not, we think, an equal. It is a vegetable preparation, and made without alcohol, and to all invalids we should recommend it as worthy of their confidence."

The Dispatch says:—"As a medicine for Liver Complaint, Jaundice, Nervous Debility, and Dyspepsia, it has been found invaluable, effecting cures, and thoroughly eradicating disease, when all other medicines have failed."

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt, after using it as directed. It acts specifically upon the stomach and liver—It is preferable to calomel in all bilious diseases—the effect is immediate. They can be administered to Females or Infants with safety and reliable benefit, at any time.

LOOK WELL TO THE MARKS OF THE GENUINE.

They have the written signature of C. M. JACKSON upon the wrapper, and the name blown in the bottle, without which they are spurious.

A CERTAIN CURE FOR ALL PAIN MAY BE FOUND IN THE USE OF PERRY DAVIS' VEGETABLE PAIN KILLER.

Opinion of the most prominent Druggists and Merchants of Cincinnati in its favor.

CINCINNATI, Oct. 26, 1849.

We the undersigned, Druggists and Merchants of this city, have been acquainted with and sold for 2 or 3 years past, an article of Family Medicine, known as PERRY DAVIS' VEGETABLE PAIN KILLER, and we would assure the public that in every instance, so far as we know, it has given the best satisfaction to the purchaser. We can recommend it to the public as an article of **Great Merit and Virtue**; indeed, we never knew an article of Medicine become so deservedly popular in so short a time, which is proved by the fact of its extensive sale, and constantly increasing demand.

A Word of Caution to the Public!

Dealers in Pain Killer are cautioned against buying or selling a spurious article of Pain Killer, manufactured by White & Co, of Buffalo, which is a worthless imitation and the pamphlets a "BASE FORGERY" which will appear by comparing them with the Genuine. "The certificates are copied verbatim." The proprietor of the Genuine Perry Davis' Pain Killer will prosecute any person, engaged in selling this spurious article, and is determined to protect himself and the public from this "infamous fraud." Many unprincipled persons, to deceive the public, and for the sake of gain, have applied the name Pain Killer or something similar to their own compounds such as Pain Destroyer, Pain Killing Compound, a real Pain Killer, &c. &c. all of which have been got up on the reputation of Perry Davis' Pain Killer. The public are cautioned against those mixtures.
